

Directions to Bus Driving Experience

Our driving experiences take place at North Weald Airfield in Epping. The full address is:

North Weald Airfield
Merlin Way
North Weald
Essex
CM16 6HR

By Car: If you are using a sat-nav system please note the postcode covers a large area and might not bring you to the correct entrance gate. If using Google Maps search for North Weald Market.

From the M11 at junction 7 follow the A414 towards Chelmsford. At the first roundabout follow signs for the 'Airfield' or 'North Weald Marke't' by taking the second exit onto Rayley Lane. At the next roundabout take the second exit onto Merlin Way, you will pass the entrance of the opposite side of the road. At the next roundabout double back on yourself to access the main entrance gates.

If you use **what3words** for navigation use **sharp.sticks.amuse** for the entrance and **quest.total.online** for parking.

Public Transport: The closest tube station is Epping on the Central Line. Route 420 runs between Epping Station and Ongar, alight at Hurricane Way stop for the airfield. Walk towards Hanger 1 with the airfield Museum to your left, at the end turn right along a gated footpath with Booker to your right, this will join Merlin Way, follow the road ahead you will reach a roundabout and Gate A for the airfield perimeter, this is usually locked, continue down the to the control tower and main entrance and enter at Gate B, reporting to security. Once inside the perimeter, double back towards Kings Transport and look for our buses to the right.

ONCE ON SITE

Once you enter the main security gate, follow the marked service road around to the left. Follow this road until you see the Kings Storage warehouse on the left. Our experiences are on the large tarmac area on the right. Look for our grey Bendy Bus reception. Remember to arrive at least 20 minutes before your start time in order to settle in. We will start with your safety and techniques briefing which must be completed before your driving session.

IMPORTANT SITE SAFETY

Please note you must not walk around the Live side of the airfield or taxiways. Please report to our reception upon arrival for more safety details and site information.
